

ALL VISITORS

Welcome to Wainwright Marine Services Ltd. Please take a moment to review the site map. In the event of any emergency we will sound an emergency muster alarm (Air Horn Blasts). All persons on the property must proceed to a MUSTER AREA. If you are in the LOWER yard the Muster area is near the lower Office. In upper yard go to the Main OFFICE. There an attendance will be taken and noted as well as further instructions.

**Be aware traveling through work zones to make eye contact with equipment operators and to stay clear
REMINDER - at all times proper PPE is required.**
